On July 18<sup>th</sup>, 2017, the School District received notice that the proposed school fees submitted were approved.

The documents that follow are the approved fees for the 2017-2018 school year. Individual schools provided these fees for approval.

At the time of submission some fees may have been based on estimates or possible activities that may or may not occur during the school year. Actual fees charged for certain activities may be lower.

The school office of your school should be contacted directly should there be any questions with the school's fee schedule.
