

LETHBRIDGE SCHOOL DIVISION

Revised February 2015
Revised May 3, 2021

504.1.7 - City Transit Student Health Alert

Policy 504.1 Managing Student Health Issues in schools requires that Southland Transportation Ltd. be informed of all potential emergency medical problems of students that they are transporting, unless a Division staff member is accompanying the student on the bus. Parent/Guardian authorization is required for this to happen.

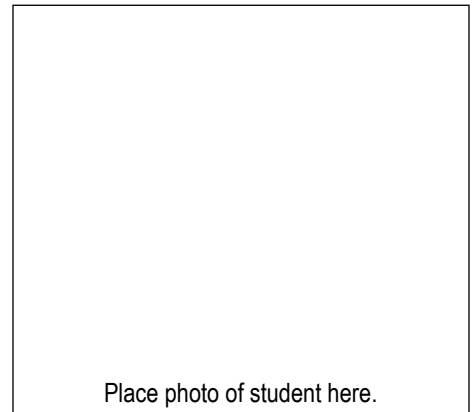

Please complete the following and, once signed by the parent/guardian, forward this form to the Transportation Coordinator, Business and Operations Office at the Education Centre. All forms will be forwarded to Southland from this central location.

Date: _____

Student's Name: _____

School: _____

Bus Route: _____

The above named student has a medical condition that has the potential to cause a serious medical emergency. The condition is described as follows:
