

ALBERTA, CANADA

CANADA CAMP

2020 CANADA CAMP OFFERING

Summer Camp Programs

Why Canada Camp?

Canada Camp is offered by Alberta-based Redleaf Phoenix Academy, which specializes in international education tourism. Canada Camp gives youths a wonderful experience of Canadian lifestyle through immersive camp activities and memorable adventure.

Rather than simple student tours, Canada Camps are exciting, comprehensive programs that combine language development, skill acquisition, creative expression, cultural interaction, physical activity and sport, touring fantastic places and playful learning.

Through valued partnerships, Canada Camp is operated by only the best: certified Canadian teachers, university coaches, skilled instructors and professional guides.

Canada Camp explores sunny Southern Alberta, including the blue-sky cities of Calgary and Lethbridge, breathtaking Canadian Badlands and world-renowned Canadian Rockies.

PARTNERS:

CANADA CAMP

Experience the Canadian Way

Canada Camp creates authentic Canadian experiences by immersing youths into Canadian life-style. Through a fun combination of quality learning environments, fascinating historical sites, fantastic natural locations, cultural exchange with Canadian youths and engaging activities, Canada Camp will be unforgettable. Canada Camp is perfect for youths wanting to broaden their global horizons or interested in knowing more about Canada as a study destination.

English Language Immersion

Improve your English in a fun and engaging setting. Your certified Canadian teacher will give you the experience of what it would be like to study at a Canadian school. Lessons are based around daily field-trip activities so that you can apply new ideas practically. Meet and make new friends with Canadian youths through cultural exchange.

Exciting Excursions

Canada is known the world over for breathtaking natural sights. However, right here in sunny Alberta many top scenic destinations are found. Visit the majestic Canadian Rockies with tours to Waterton and Banff. Travel the Great Plains to learn about the Blackfoot people. Enjoy the captivating vistas of the Oldman River in Lethbridge.

Learn Through Play

At Canada Camp, we know that summer should be spent having fun experiencing new things. Friendly coaches teach Canadian sports, physical skills and fun games. Develop your STEAM knowledge by working with college pros. Canada Camp options include drone operation, robotics, solar car construction, digital animation and wood-working.

Comprehensive Activities

One can only get to know a place through discovery. This is why field-trips are central to Canada Camp. Learn some history of the First Nations and settlers at Head-Smashed-In Buffalo Jump and Remington Carriage Museum. Visit a high school, college and university to imagine at student life here. Enjoy leisure time with friends playing laser tag or bowling.

Nutritious Meals

One form of culture is food. When people travel to new places there is an interest to try new, local dishes yet at the same time tastes from home are often missed. With this in mind, we offer a good balance at Canada Camp. Three great meals are prepared by Fresh Fork chefs each day, however cuisine from both home and abroad make up the meals.

Comfortable Accommodation

Being comfortable when away from home is important. The Lux Hotel provides Canada Camp suite accommodation. Participants share 4-bedroom apartments. This is the best of both worlds. Personal space and a common area to build friendships. The Lux Hotel is located on the University of Lethbridge campus along the banks of the Oldman River.
