School Boundaries Transportation Information

## Transportation Information

Alberta Education states in the School Act students living beyond 2.4 kilometres are, by the most direct route from thei boundary school, or designated District programs located in specific schools, funded for transportation.

The District provides busing service to students enrolled in Kindergarten to Grade 12 who are eligible for transportation

For eligible Grade 1-12 students, the District provides busing to school in the morning and from school after dismissal.

Eligible Kindergarten students in morning programs may access the buses going to the school, and eligible Kindergarten students in the afternoon programs may access the buses going home after school.

Lethbridge School District No. 51 contracts Lethbridge Transit to provide us with the res and Route Maps. The maps for the 2019/2020 school year will be found at this link in late August: RouteMaps

Key section of the School Act
Excerpts from Section 51:
(1) Subject to the regulations, a Board shall provide for the transportation of a student to and from the site of the school in which the Board has enrolled the student, if the students resides at the distance from the site of that school to be determined by the regulations, with the attendance area established by the Board, and within the boundaries of the district or division.

Once you click on your child's route the Map will appear on the first page, scrolling to the next page will provide you with the exact location of the bus stop and the time of arrival.
