Christine Light
I have been part of the Lethbridge community for 20 years. Over this time I have served the Lakeview School Council for 3 years, 2 as Chair, worked as a Therapeutic Parent and Youth Worker for McMan Youth & Family Services alongside Indigenous teens with FASD, taught preschool for 7 years, and volunteered as a Jr. and Sr. High Youth Leader for 13 years. I have 2 children in the public school system. I believe in public education and want to use my voice and experience in the decisions made that will impact the front lines of the classrooms and raise our students to become successful, independent adults. Communication and advocacy are my strengths. I build relationships well, see the big picture, and engage challenging conversations with openness, respect and objectivity. Every child, every family, and every staff member matters. It would be an honour to serve as your Trustee.

<td>Having spent the last ten years as a trustee, I believe that the “heart and mind” of our district and community is based on relationships - LISTENING, ASKING, LEARNING, DEDICATION, RESPONDING, INVOLVEMENT, ACTION, TRANSPARENCY and SINCERITY. How I treat others can have a profound effect on motivation. More importantly, I temper my confidence with reality. As a “lifelong” learner and teacher, my positive attitude, enthusiasm, networking skills and “can do” attitude have led to many opportunities as presenter, facilitator, participant, volunteer, guest speaker, tutor, alumni recognition committee member, youth forum coordinator, Library of Parliament teacher leader, Galt Museum director, University of Lethbridge sessional and secondment instructor in education, scholarship sponsor, Lethbridge College instructor and school trustee. As a trustee I have had the opportunity to interact with people in an open, fair, objective and timely manner. Being a school trustee has been a rewarding experience I would like to continue. <strong>Contact Information:</strong> Phone: 403-328-6721</td>
