School Highlights:

Spring Potluck and Ice Cream Social: We held this event on April 4 th . Families devoured delicious meals and enjoyed creamy, smooth and delicious ice cream with all the toppings.
Grades 1, 2 and 3 Reading Challenge: This year’s Reading Challenge is in full swing. Unlike last year, when the three Grades competed against each, this year, they are working collaboratively to read 3000 books throughout April. Student reading at level M – Z are encouraged to choose more challenging books. The goal of the Reading Challenge is to encourage students to grow their reading skills. Books read at home, on a trip, on the bus and at school all count. Student tally their reading on a recording sheet. The reward for the challenge is a trip to the Taber pool and a picnic in the park.
One District One Book Activities: Staff organized several engaging activities based on themes from <i>Wishtree</i> . All grades were divided into 4 teams, based on characters in <i>Wishtree</i> . The teams competed with each other in daily physical and literacy-based challenges. It culminated in a big celebration in the gym on the last day with top teams earning prizes. I wish I could include a picture of a giant Wishtree on the gym wall, plastered with leaves full of wishes. Students who read chapters and gave correct answers earned stuffies related to characters in the book.
Outdoor School: Grades 1, 2 and 5 continue to explore science themes in Outdoor School.
