

# SUMMER 2019

## OFF-CAMPUS EDUCATION

### Registered Apprenticeship Program

We have some exciting summer career opportunities for Lethbridge School District students this summer in the following trades:

Welding  
Electric Motor Technician  
Heavy Equipment Technician  
Sheet Metal Technician  
Playground Technician (landscaping)  
Auto Body Technician  
Water/Gas pump Technician  
Carpenter

Students must have the pre-requisite HCS-3000 course. Students must meet the entrance requirement for the specific trade. (check with your career practitioner or Off-campus education).

Drivers license and transportation.  
Some trades will require CSA safety boots.

For more information on how to apply, please contact the off-campus education coordinator

Andrew Krul 403 894-0375

or

Jaye Swanson 403 892-7884
