

102.1 Review of District and School Programs

Policy

The District, its schools, and its programs shall be reviewed on an annual basis for the following purposes:

- determine schools' effectiveness in meeting the educational needs of students;
- determine the extent to which District and school goals delineated in the Education Plans are being accomplished;
- determine whether the processes and practices implemented to achieve District and school goals are effective and efficient; and
- suggest directions for growth and improvement to ensure the best possible educational experiences.

Regulations

1. A review of the District, including District programs:
 - 1.1. shall be conducted each year using the District Combined Three Year Education Plan and Annual Education Results Report required by Alberta Education;
 - 1.2. may be conducted in greater depth at the direction of the Board.
2. A review of each school, including its programs:
 - 2.1. shall be conducted each year using the school's Combined Three Year Education Plan and Annual Education Results Report;
 - 2.2. may be conducted in great depth at the direction of Executive Council and/or the Board.
3. A formal evaluation of a specific program, department, school, or the District as a whole may be conducted as required at the direction of the Superintendent and/or the Board.
4. Opportunities will be provided for stakeholder feedback at the District and/or school level, as appropriate.

The Board delegates to the Superintendent the authority to develop the procedures necessary to implement this policy
