

102.1 Review of District and School Programs

1. Monitoring Process
 - 1.1. Schools shall monitor their programs and services. This process shall at a minimum include:
 - 1.1.1. An annual review of provincial assessment data and other areas identified by the Division of Instructional Services;
 - 1.1.2. Development of strategies for maintaining and improving performance.
 - 1.2. The Division of Instructional Services shall monitor all programs and services within the District. This process shall at a minimum include:
 - 1.2.1. An annual review of provincial assessment data;
 - 1.2.2. Development of strategies for maintaining and improving performance.
2. Review Process
 - 2.1. In the event that the monitoring process identifies a concern in a particular program and/or service, a more detailed analysis may be initiated.
 - 2.2. The Division of Instructional Services, in consultation with the Superintendent, shall be responsible for developing and implementing the review process.
