

405.5 Practicum Students

Policy

The placement of practicum students from university or college programs into Division programs shall be permitted and encouraged within the parameters outlined in the regulations of this policy.

Regulations

1. Principles, expectations and practices relating to practicum placements shall be determined by the Superintendent or designate in consultation with the appropriate post-secondary institution.
2. Practicum students shall be accepted only from institutions that complete appropriate screenings and ensure that appropriate insurance coverage is in place. The Associate Superintendent, Human Resources is responsible for teacher practicum programs. The Director of Student Services is responsible for practicum programs associated with inclusive education. The Associate Superintendent, Instructional Services or designate is responsible for all other practicum programs.
3. The principal, in consultation with the appropriate Education Centre administrator, the post-secondary institution, and the employee, shall determine the degree to which a school/site can support a practicum program, including:
 - 3.1. the practicum program(s) in which the school/site will participate;
 - 3.2. the number of practicum students that will be placed in the school/site;
 - 3.3. the placement of a practicum student with a Division employee; and 3.4.
 - the frequency of practicum placements with a specific employee.
4. Professional Semester III (Intern) teachers shall be provided with experience in all aspects of teaching under the mentorship of a Division teacher.
 - 4.1. The intern teacher may assume responsibility for a portion of the teacher's teaching assignment, as determined by the Faculty of Education and the Division. The remainder of the intern teacher's time is to be devoted to professional study.
 - 4.2. The intern teacher may not work as a substitute teacher during the term of the internship.

405.5 Practicum Students...

- 4.3. The intern teacher may be regarded as a teacher for the purposes of supervision of students under Policy 504.4.
- 4.4. Supervision of the intern teacher is the responsibility of a designated school administrator.
- 4.5. Division staff shall contribute to but not be responsible for the summative evaluation of the intern teacher.

The Board delegates to the Superintendent the authority to develop the procedures necessary to implement this policy.
