805.2 Employee Personnel Records

Policy

Personnel files shall be maintained for each employee and will be accurate and retained in a secure manner.

Regulations

1. The Superintendent authorizes the establishment of the following personnel records:
   1.1 a permanent personnel record maintained by the Division of Human Resources;
   1.2 a school or District department record, maintained by the principal/supervisor to whose school or District department the employee is assigned; and
   1.3 a temporary or working record, established by the principal/supervisor responsible for the supervision/evaluation of the employee.

2. All personnel records shall be stored in secure locations:
   2.1 Records in paper format shall be stored at the District’s Division of Human Resources and/or the employee’s school or District department area;
   2.2 Records in electronic format shall be stored on the District’s computer network.

3. Access to personnel records, disclosure of personal information and storage of records shall be in accordance with the Employment Standards Act, the Freedom of Information and Protection of Privacy Act and District policy.

4. The retention and disposal of personnel records shall be in accordance with the Employment Standards Act, the Freedom of Information and Protection of Privacy Act and District policy.

The Board delegates to the Superintendent the authority to develop the procedures necessary to implement this policy.
