Routes can change throughout the school year. The updated maps can be found at the following websites www.lethbridge.ca/transit or www.lethsd.ab.ca

Your Bus Stops

Students are required to be at their bus stop at least 5 minutes prior to the bus arrival. Drivers cannot wait for students who are tardy in arriving at the stop as it alters the bus schedules. The bus will depart the school 7 minutes after the bell.

Do not cross in front of the bus when exiting. Use marked crosswalks or intersections after the bus has pulled away.

Transportation is provided for eligible students from a designated pick-up & from school ONLY (not to babysitters, music lessons, jobs or sports events, etc.) No friends are allowed to travel with you.

Drivers are not responsible for students who get off at stops other than their designated stop, or students who take a route which is not their designated route.

Only eligible students, drivers or authorized persons may ride the bus. Students wishing to take friends home are responsible for finding their own way home.

Inclement Weather

News releases will be provided to various radio stations after receiving direction from the school boards as to whether a cancellation will take place in the morning. In the case of a midday decision (early dismissal) parents must be notified as students cannot be sent home if arrangements have not been made for after school care. Failure to contact parents will result in students be dismissed at regular times.

Behaviours on the Bus

“Riding the bus is a privilege, not a right”

In order for all students to have a safe and pleasant ride on the bus, students must follow the rules of conduct. The bus is an extension of the classroom and school officials will handle any misconduct.

It is the primary responsibility of the driver to transport students safely to and from school. The driver's attention must be on the road and traffic conditions and not on student behavior. Buses may be equipped with video cameras and may be used for safety and corrective actions only.

Students may be suspended or expelled from riding the bus if the rules of conduct are not followed.
