

2020 Elementary Schools; Orange Shirt Day

Orange Shirt Day T-Shirt Design Contest

There were SO many amazing T-Shirt design submissions. Three winners were chosen and elements from their three designs will be used for our Orange Shirt Day T-Shirt

"The blue drops are the tears from the children who lived in residential schools, the red drops symbolize the anger they felt and the green triangles mean we can grow together".

THANKYOU

ORANGE SHIRT DAY EVENTS

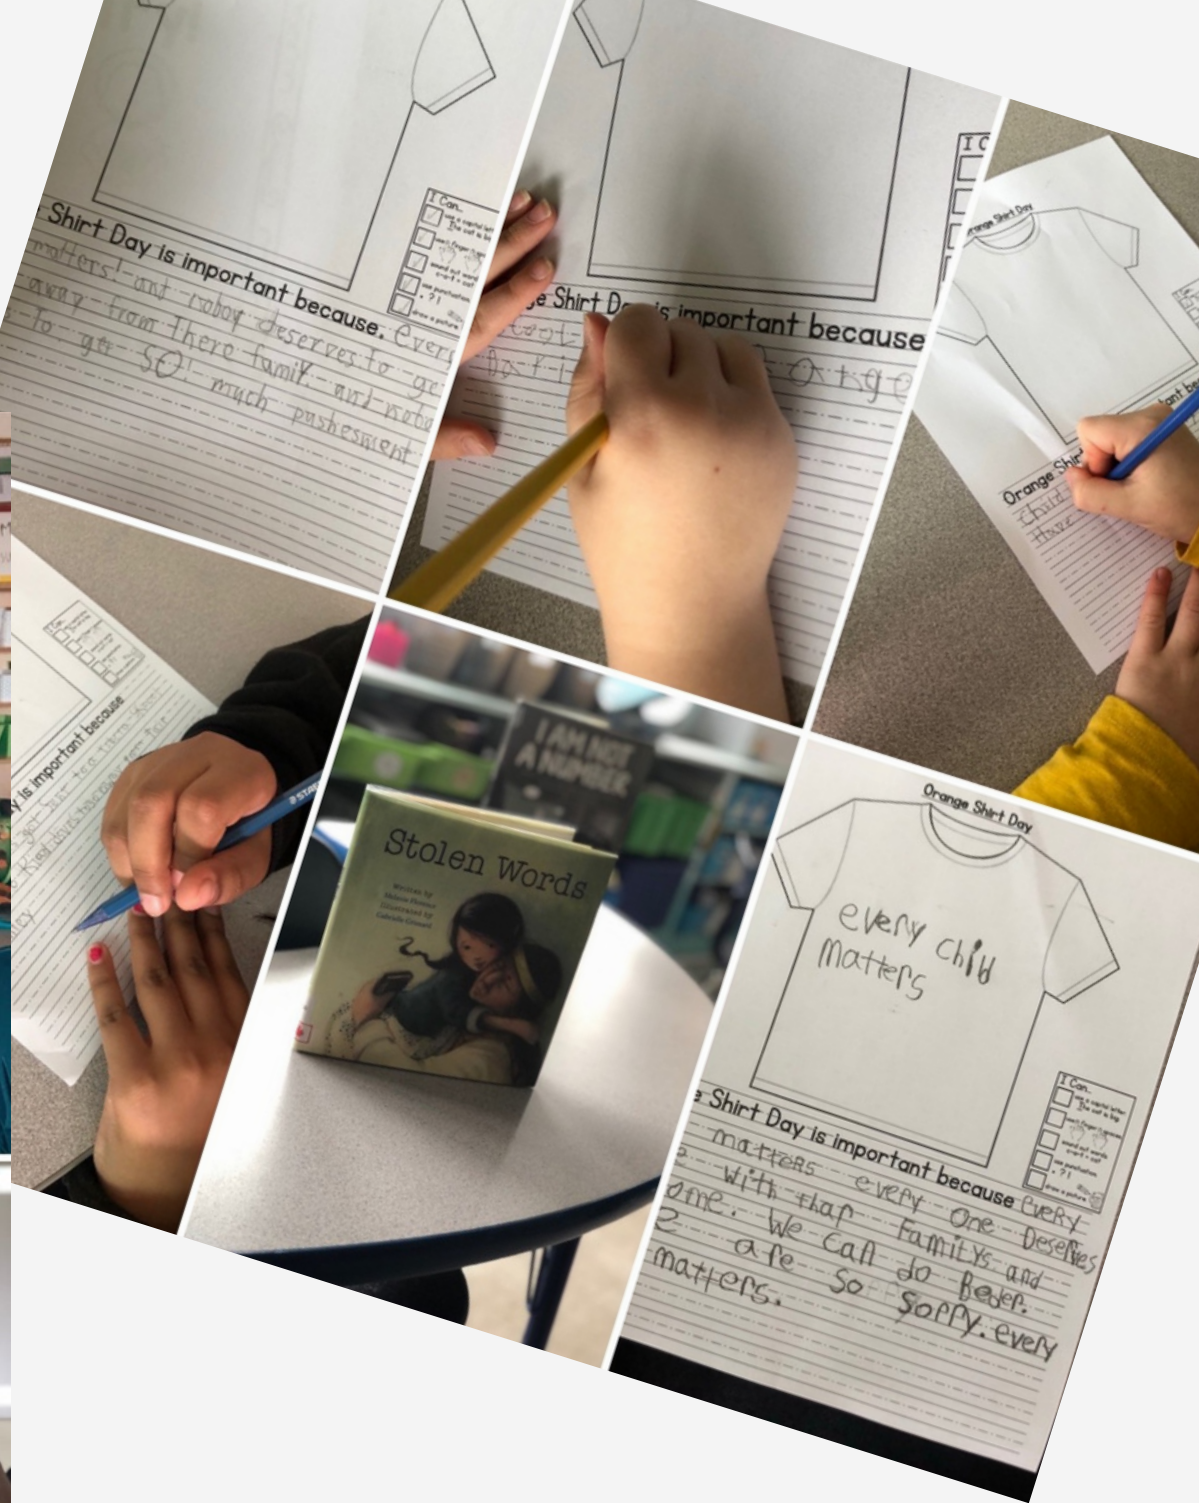

Our elementary teachers really went above and beyond discussing the important topic of Orange Shirt Day. Recognizing the survivors and those who did not survive Residential Schools is an essential step towards understanding and Reconciliation. You should all be proud of your efforts.
