**Re: Provincial Announcement for Move to Scenario 3 (at-home learning) for all grades K-12 on Friday, May 7**

Dear Parents / Guardians of Lethbridge School Division

At 6:00 this evening, Premier Kenney announced some stronger measures as a response to COVID-19. The announcement applies province-wide with respect to measures in the sector of education.

Effective Friday, May 7 all students in Lethbridge School Division in grade K to 12 and all Early Education Programs will switch to At-Home Learning (Scenario 3). Schools will use Friday, May 7 for staff of EEP and Kindergarten to grade 6 students to prepare for at-home learning. At-home learning will commence fully on Monday, May 10<sup>th</sup>.

For grades 7 to 12 students who are already at home, learning will proceed on Friday as scheduled.

The province announced that students will be back to in-school learning on Tuesday, May 25<sup>th</sup>.

Further information regarding the restrictions can be found on the school division website [Home | Lethbridge School Division \(lethsd.ab.ca\)](https://www.lethsd.ab.ca)

Lethbridge School Division Board and staff recognize that movement to a different delivery system is challenging and appreciates that it poses challenges for families and our students. It is the goal of the schools to maintain contact and support so that students do not feel disconnected.

If you have concerns specific to your son or daughter for support during this transition, please contact your school administration.

Take care,

Cheryl
