# WHAT DO SCHOOL TRUSTEES DO?

Alberta School Boards help shape the future of local communities by governing the education of young people. The provincial government, through the Minister of Education, grants school boards the independent authority to make decisions regarding the direction and quality of local public education. Accountability to the public is entrenched through the election of local school board trustees every three years. The School Board Election is Monday, October 18, 2021.

## SCHOOL BOARD RESPONSIBILITIES

It is up to school boards to ensure all children in the community receive a quality education. Specific school board responsibilities include:

- Communicating, informing and involving parents, staff, and the community-at-large in school board decisions and activities
- Adopting an annual budget that achieves jurisdiction priorities
- Setting goals and priorities for the jurisdiction that achieve provincial education standards, meet the needs of students and reflect the community's wishes
- Making and enforcing policies that set out standards and expectations regarding the actions of administration, teachers, and students
- Lobbying the municipal and provincial governments on education issues of importance to the jurisdiction
- Adjudicating policy or decision appeals
- Hiring and evaluating the superintendent

## ROLE OF THE TRUSTEE

In accordance with the School Act, the Board of Trustees is the final authority at the local level on matter relating to school operation. The Board is responsible for the development of policy for the school Division but delegates the implementation of that policy to its administrative officers.

In accordance with this general principle, trustees have the following specific responsibilities:

- Establishing the Assurance Plan for the school Division and developing and approving policies and programs to attain the goals set out in the Assurance Plan
- Setting budget priorities and approving the annual budget
- Monitoring the operation of the school division through discussions with, and reports from, its administrative and teaching staff, and through discussions with members of the public
- Appointing personnel to designated administrative positions
- Approving the roles and special assignments of senior administrators
- Making decisions on matters not determined by policy or practice
- Acting as a final appeal body on any matter within the Board's jurisdiction
- Developing contracts and agreements with its employees with regard to salary and benefits

# ROLE OF THE TRUSTEE

To carry out these duties and responsibilities Board members:

- Attend Board meetings
- Accept membership on ad hoc and standing committees
- Attend workshops and conferences as appropriate
- Attend zone and provincial Alberta School Boards Association (ASBA) meetings
- Visit schools as often as necessary to keep them informed
- Confer with the administrative staff
- Act as a communication link between the general public and the school division
- Represent the school division at public meetings and official ceremonies
