Telephone 329 - 3144 • Fax 329 - 3611

Dear Parents, Guardians, & Community Members,

Sept. 6, 2022

Wilson Middle School is excited to unveil our 2022 school fundraising campaign! We are asking our students, staff, and school community to celebrate the Wilson Family and the Wilson Way by selling **WALLET-SIZED COUPON CARDS!** From September 6th until October 12th, students will be asked to sell COUPON CARDS for \$20.00 each. \$9.50 from each sale comes directly back to the school! Each student was given a sales package and we ask your assistance in helping us as this will be our main fundraiser this year. Please ensure that your child is not going door to door to sell to strangers, as we want to keep our students safe! We hope that you can sell card boxes to people you know (friends, relatives, co-workers, etc.). Boxes are also available to purchase online through our <https://schoolcashionline.com/> method. **The fundraiser has been attached to each students' SCO account, and so you will be able to order directly from there for friends and family. Alternatively, you can also order cards by going to <https://Lethbridge.schoolcashionline.com/Fee/Details/34018/38/False/True> or scanning the QR code on the back.** We ask that students to bring in any money from sales each day they make a sale so that we can distribute the cards and get them into the hand of purchasers. We are asking all sold cards to be delivered within 24-48 hours if possible!

Alternatively, we've heard from some parents they would rather make a donation to the school rather than sell books. Simply enclose a cheque or cash made out to Wilson Middle School in your child's fundraising folder and clearly mark "Donation" on the front of the folder. Alternatively, donations can be made on <https://schoolcashionline.com/> just be sure to click **WILSON MIDDLE SCHOOL under fund destination.** Please keep in mind that we ask all students to try to sell a minimum of three books, which results in approximately \$28 coming back to the school. All donations over \$25 will be issued a tax receipt. Funds raised will be used to cover the costs of some of our tech initiatives, outdoor activity equipment, and school field trips/experiential education experiences. We want our school to be the best middle school in the city! This year's fundraiser will have some fantastic incentive prizes for our top fundraisers in each grade level, as well as for our top selling class in the school! We felt it was important to recognize both individual and group efforts our students are putting forth, and celebrate them accordingly!

Students are responsible to bring their sales folder to their homeroom class in the morning. From there, teachers will collect any cash and/or tally any online sales. This method will be used to deliver cards to the students.

While all stores and businesses are listed on the card itself, here is a list of the businesses and deals on the card:

- **Arby's** – Buy 1 get 1 free classic beef'n cheddar sandwich
