

602.7 Human Sexuality Instruction

Policy

Human sexuality instruction shall align with the Program of Studies, relevant legislation and Division procedures.

Regulations

1. Parents shall be notified prior to the commencement of any human sexuality instruction. Notification processes shall be in alignment with relevant legislation and Division procedures.
2. Participation in human sexuality instruction requires parental consent as outlined in applicable legislation and Division procedures.
3. Upon request, parents shall be given the opportunity to review the human sexuality curriculum in accordance with relevant legislation and Division procedures.
4. The Division shall provide training for teachers responsible for delivering human sexuality instruction as mandated by the curriculum.

The Board delegates to the Superintendent the authority to develop the procedures necessary to implement this policy.
